

Ideas for promoting independence

Children wear a band to go to the toilet...

Silhouettes to help children to put resources away while promoting shape matching...

Self registration on a display board – alternatively, the children could post their names into a box...

Using labels with picture and word to support children to self-select and tidy up...

Children can choose from continuous/enhanced provision

Children follow instructions when washing hands...

Visual timetables can help children who find change difficult and promote a sense of security and continuity
